

Annual Business Plans and

Budget

Annual

Report

The Council Plan provides direction for the four-year Northern Grampians Municipal Public Health and Wellbeing Plan, 2025-29 and aims to equip Council and our partner organisations with a strategic framework to integrate health and wellbeing priorities into our work.

Details annual actions delivered to achieve the goals and associated strategies of the Council Plan

The Council Plan is supported by a

ten-year Asset Plan and a ten-year

Financial Plan. These plans outline

resources and technical elements

required for managing assets to

achieve the objectives set out in

the Council Plan

the financial and non-financial

Updates the community on how Council is progressing with the delivery of the Council Plan, including the status of annual actions plans and strategic indicators .

Endorsed strategies and plans, such as community plans, township framework plans, and municipal-wide plans like the Sport and Recreation Strategy, are developed in consultation with the community. The council uses these documents to guide its actions and decisions and achieve the overarching goals outlined in the Council Plan.
